No Matter What Level You're At -
We Can Help!

TOUGH is a different kind of baseball program. Whether your son is being introduced to baseball for the very first time or he has been playing for years, TOUGH has a program that will fit his needs.

We'll not only improve his skill set but give him the confidence and self esteem needed to excel as he progresses up through higher levels of the game.

TOUGH is committed to making high-level training available and affordable to all young men. Most of our training sessions are only \$5 per hour through our great packages.

No young player will ever be turned away regardless of his financial situation. TOUGH is proud to have community businesses who have pledged to sponsor young athletes in need of assistance.
